Description

Our 3/4" recycled PET material Euro Soft lanyards are made with a different weaving technique, making them softer and similar to popular cotton lanyards. The material is typically made from recycled plastic water bottles. Choose from a large selection of attachments including a split ring, J-hook, plastic lobster claw, bulldog clip, metal alligator clip, breakaway plastic buckle clip and more. Complies with Prop 65. 36" L x 3/4" W
