Description

The ihub™ Super Fast PD Car Charger is a fast charging, dual port adapter that lets you charge two devices simultaneously. The 18W Power Delivery feature recognizes your devices and distributes maximum current to each for super fast charging. An LED voltage meter displays your car's battery voltage. The Super Fast PD Car Charger also includes built-in over-current, short-circuit and overcharge safety protection. Complies with CE, OU, RoHS. 2.25" H x 1.125" Diameter
