Description

The Pinnacle Soft golf ball is designed to give golfers an incredibly soft feel and help them hit the ball longer. The high-energy, low-compression core combined with a soft cover and advanced 332 icosahedral dimple design creates low spin for longer shots. Select fast forward if you need it quick. For standard lead time, see Item# 62376. 7.5" W x 5.5" H x 1.75" D
