## Description

The Zip-Around<sup>™</sup> works particularly well with circular logos and designs and easily attaches to zippers, bags, outer wear, warmups and jackets. The extended hole-tab increases the imprint area. The large 2 3/4" shape is as big as a roadside reflector and provides the same great safety value. It is ideal for clipping onto suitcases and other luggage. Great reflective Safety Item. Complies with CPSIA, Prop 65. 2 3/4" Diameter
