Description

This rustic styled mug features a dark brown, hand-dipped bottom accent. These mugs are hand dipped and then fired in an oxidation kiln. Varying levels of oxygen shot into the glaze creates a unique, mild to major, variation of color on every mug (even mugs manufactured within the same production run). Due to the individual craftsmanship of these mugs, variances do occur in the color portions of the glaze & may result in dissimilarities in ceramics. 5" H x 3.638" W
